#OnlineContest2020 2.0

NSS KASHMIR FIGHTS DRUG ADDICTION

In a conflict ridden society such as ours, drug addiction is arguably one of the greatest problems. The responses of our society to this problem are varied. A vast majority seems to be in denial, brushing it off as the problem of a few. To others, especially those dealing with it first hand, it has assumed epidemic proportions. As the pendulum of the public opinion swings between these two extreme positions, we at NSS seriously believe that the time has come to relook and re-examine our approach to the challenges that this problem poses for us.

With this in mind, National Service Scheme (NSS) University of Kashmir, Srinagar is announcing "#OnlineContest2020 2.0 | NSS Kashmir Fights Drug Addiction" and invites our youth to share their views and perceptions on this serious issue that afflicts our society.
